

Join our team!

The California Department of State Hospitals (DSH) is looking for qualified **Neuropsychologist** applicants!

DSH-Atascadero seeks knowledgeable, experienced, and dedicated Neuropsychologists to fill our full-time vacancies.

Atascadero is located on the family-friendly Central Coast of California, a short drive away from many destinations, including the cities of San Luis Obispo, Cambria, Pismo Beach and Morro Bay. Our employees enjoy gorgeous vineyards, outdoor activities like surfing, biking, and hiking, and easy access to miles of beaches and coastlines.

We are a secure, public sector hospital providing forensic and clinical services for an adult male inpatient population suffering from a wide range of mental illnesses. Patients are committed to us through the courts of the State of California. Our mission is to provide evaluation and treatment in a safe manner, seeking innovation and excellence across a continuum of care and settings.

In consultation with interdisciplinary treatment teams, our Neuropsychologists provide comprehensive neuropsychological evaluations and cognitive rehabilitation groups. They are supervised by a Board Certified neuropsychologist, participate in twice-monthly Grand Rounds, and have the opportunity to provide trainings and participate in the APA accredited Psychology Internship Program.

Applicants must have completed a post-doctoral fellowship in neuropsychology (please contact us if your training differs). Spanish fluency desirable.
